

Notice of Mandatory Performances

Congratulations! Your student is enrolled in a performing music class at Lower Lake High School. We offer many performing music classes on campus and are excited to have your student be part of our family. Part of your student's grade in this class will be based on their attendance at certain required performances. Please take note of the performances below and which groups are required to attend. By signing the signature line at the bottom of this page you are signifying that ***you understand that your student's grade will be affected by their attendance at these events.*** It is the responsibility of the student and their parent/guardian to secure transportation to and from the event.

Events may be added to the performance schedule as the year progresses. Notice of these additional events must be given two months before the performance in order for it to be "Mandatory." Notice will be provided on the LLHS Music Department website "llhsmusicdepartment.wixsite.com/website" and by a letter sent home with your student. You may also look for announcements on the LLHS Music Department Facebook page.

We look forward to having a wonderful and music-filled year here at LLHS!
