Lower Lake High School Performing Groups include: Concert Choir, Show Choir, Beginning Band, Marching Band, Concert Band, and Jazz Band. If your student is enrolled or participating in any of these groups they must adhere to the concert dress guidelines.

Marching Band: Blue shirt, tennis shoes. Must be in compliance with school dress code.

Show Choir: See Ms. Lahr for information regarding show choir performance wear.

All other groups: All black shoes, pants, and shirts. Skirts and dresses must be knee length and all black. Pants must have a seam (no yoga or sweat pants). Shirts should have a collar and/or buttons.

If obtaining the proper clothing is a financial burden on you or your family please contact Ms. Wiley by two weeks before the concert date with your child's sizes. Clothing will be available for any student in need of assistance.

Failure to dress in appropriate concert dress may result in the student's performance grade being affected. Should the student be wearing clothing that does not meet the LLHS dress code for all students they may not be allowed to perform.

By signing this notice you are signifying that you have been informed of the expected dress for the LLHS Performing groups. You are also signifying that you are aware of the possible consequences for not meeting the expectations for concert dress and that you have been made aware of the accommodations available for students who may need assistance in obtaining the appropriate clothing.
